TRAILS

Approximately 380 miles of maintained recreation trails in the district offer a wide variety of length, difficulty, and terrain, with many trails open to horses and non-motorized mountain bikes. (**Some bike trails are seasonal.**) On all trails, always pack out trash, and please practice other "**Leave No Trace**" land ethics. Maps are available at the Pisgah Visitor Center; by mail order at The Forest Place, (800) 660-0671ext.17; or online at www.theforestplace.com.

WILDERNESS AREAS

Shining Rock and Middle Prong Wilderness Areas offer a primitive experience for hiking and backpacking. **Trails are not signed or blazed**, so map and compass use are essential. To maintain wilderness quality, **no more than 10 people per group are allowed**. **NO CAMPFIRES** are permitted and **mountain bikes or wheeled carts may not be used**. No permit is required.

FOREST SERVICE (FS) ROADS

Most Forest Service roads are gravel-surfaced and open to the public. Some roads are gated and, **unless signed otherwise**, are available for use by foot, bike, and horse traffic. When parking along forest roads, use the widened pull-outs or park well over on the road shoulder. This prevents interference with road traffic or gates blockage.
